

Children's Wellbeing Survey Tranche 3 (2019)

Introduction

Intro 1

Hello! Welcome to the Realigning Children's Services questionnaire.

You should be hearing the sound now. If it is too loud or too quiet, please change the volume on your computer now. If you do not know how to do this, please ask your teacher.

If everything is fine and you are happy to answer the questions, click the button with "next" on it below to start. If you do not want to answer the questions, you can stop now or at any time during the survey.

Click the next button to start.

Intro2

You will now hear some questions being read out to you which are also written on the screen. Listen to the question and the answer options and then click on the number next to the answer that best fits how you feel. Remember, this is not a test, just say what you think. Your answers will be sent to the Researchers at ScotCen. We will not tell anyone the answers you give. Your answers will be combined with the answers of other children from across Scotland.

If there are any questions you don't want to answer you don't have to. To miss out a question, just click on the button with "next" on it without answering the question. If you want to go back to look at a question again, click the button with "previous" on it. If you want to listen to a question again, just wait a bit and it will be played again.

Remember you can just stop answering questions at any point if you don't want to continue.

Click the next button to start.
